Over 150 5-star Avvo® reviews!

The sale of my dental practice was complicated, so I really appreciated the experience and expertise of Bob Olson. He was able to resolve an impasse with my former partner and her spouse regarding lingering buyout issues. Bob worked closely with my broker and the buyer throughout the entire process.

The purchase sales agreement was very thorough [with] a UCC ...filed with the state to guarantee payment of the note. Bob even provided the [post-closing] contacts for me to notify regarding the sale of the practice. All bases were covered and I felt he had my back.

Got a complicated mess?

Chester will clean it up.

"I can't say enough good things about Chester. He really helped me go through a challenging transition in order for me to chase my dreams of living in Hawaii. I had a great associate who did not have a lot of years of experience and was interested in purchasing my practice. Because this was his first transition, he had advisors that were not dental specialists. As you could imagine, that made things difficult. Chester helped me navigate the frustrations and challenges of dealing with their team and was super responsive in all his communications to both me and the other party. He noticed a few discrepancies and cleared them up swiftly. He also helped accomplish this in a very short period of time!" Tony K.

of Your Dental Practice . . .

Timing Can Be Everything

LEE SKARIN AND ASSOCIATES...

the Name Dentists have Trusted Most Since 1959.

To Whom It May Concern:

I want to thank Kurt Skarin and recommend him to any buyer and seller since I have been on both sides of the equation. I have bought multiple practices through his help over the years and it has been a pleasant and profitable experience each time. Kurt's participation and guidance did not end with the purchase of my practice first practice. Kurt has always been there to answer questions, never pushed me to make any rash decisions and has always had the best intentions whether I was buying or selling. Ultimately, it is his integrity and depth of knowledge that allowed me to easily choose Kurt as my broker and have also referred many dentists to him over the years. Kurt wears different hats sometimes, and has played therapist, real estate and legal advisor on subjects in and out of dentistry. Like I said his depth of knowledge is valuable, incomparable, and irreplaceable. I have recently sold my practice through Kurt and it was a smooth transaction from beginning to end, similar to all other transactions I have had with him over the years. The peace of mind he brings to the table is invaluable. Now that I of exited the dental field, I will most likely pick his brain about other subjects. Thank you again for your years of support.

Armen Terteryan, D.D.S.

It is a pleasure sharing the great experience I had with Kurt purchasing my practice. During my search for an existing practice, I had worked with Kurt as well as other people in the industry for a while. I found Kurt's listings to be the most trust worthy and the best options out there. Finally Kurt helped me purchase my practice and it was a pleasure working with him. He is a true professional, a solid man with valuable knowledge and years of great experience. He is helpful in every way and his good advice directs you in the right path every step of the way. I am truly appreciate all his help and feel confident in recommending him to everyone.

Most gratefully, Nicole Sazgar

"I met Levi at CDA earlier last year at a practice acquisition seminar. Right from the start, I knew he'd be a valuable resource for our practice acquisition. He went into specific details of how the process would play out and his role. He guided us the entire way even during some of the most difficult parts of the negotiations. We are so grateful for everything he did for us. I couldn't imagine going through the practice acquisition process without him."

- Arash Attarian, MBA

Dear Arash, thank you for the trust you and Dr. Manavi placed in my hands and congratulations on the new start. My practice is nothing without the work entrusted to me by clients like you. I never forget this point. I look forward to your continued success.

"A definite must take class for any dentist to further your career. You will learn a lot."

-Kevin Chou DDS, general dentist, Bakersfield.

Dear Dr. Periklis Proussaefs, Thank you for the wonderful course. I was doing conscious sedation for many years and took several renewal courses. Yours was indubitably the best. Very informative. Extremely to the point. Clear and very captivating. I learned a lot this Sunday and started work on Monday refreshed, energetic, and eager to use all my new knowledge. I strongly recommend this course to doctors who are willing to introduce sedation to their practice or the ones who need renewal. Thank you.

Anna Durkin DDS, general dentist, San Marcos, CA

"An oral sedation course that is practical. The difference between this course and any other course I have seen is the instructor is a true clinician that performs dentistry and surgery every day. His course is very practical, safe, and predictable way of performing oral sedation. Thank you Dr. Proussaefs, I finally feel comfortable performing oral sedation as a general dentist."

Sherwin Matian DMD, West Hollywood, CA

“Adding oral sedation to my skill set transformed my practice. This course changed everything, I am now treating phobic patients who have neglected their teeth for years and the new patient referrals keep coming.”

- John Magnis DDS, Oxnard, CA

CA Board approved oral sedation certification course and Live patient workshop

"It's a shame...

that dentist have disability policies that you literally have to fight with the companies, or at the very least find out when you submit a claim, that they are against you - not for you. That is reality and if you don't have Art in your corner ... well good luck.

I was referred to Art by a colleague and there is no way that I would have been successful with my claims without him. Starting with him educating me about what I would be up against and the process, to the details that helped me with the applications and myriad of forms, to being accessible "nearly" 24 hours a day, Art's wealth of knowledge is immeasurable! **There are so many steps and pitfalls that we as dentists don't have a clue about** and if I hadn't had him to go through this with me, it would have been nearly impossible to avoid receiving denial.

There are so many things that Art helped me with along the way, literally every step, so I can't imagine anyone not having Art to deal with the disability insurance companies. **He told me what they were going to do before they did it and he prepared me for the tricks and typical wording that would confuse anyone.** For me, knowing that I had someone who really had my back helped me keep going. Even though the stress was high, I know it would have been "so much worse". Guardian Angel is what I call Art. Don't hesitate to hire and work with this man. His success fee is absolutely more than fair and worth it. I will gladly refer clients to Art."

I found Greg to be VERY HONEST and VERY HARD WORKING, VERY RESPONSIVE (he responded to my many questions, quickly and almost 24hrs/day!) and PROFESSIONAL!! I met or talked with some of the major brokers and wondered if their previous profession might have been selling cars. Greg was a breath of fresh air! I would HIGHLY endorse him!"

"I've worked with Lee Maddox since 2003 when he facilitated the sale of my dental practice and the subsequent start-up of another dental office. He was pivotal in structuring and negotiating the agreements and leases for both transactions. Dr. Maddox's sage advice/expertise as both a dentist and attorney afford him a unique and valuable perspective. I highly recommend Dr. Maddox to anyone who wants wise counsel and expert legal advice." Dr. Mallonee. www.maddoxhealthcarelaw.com

I believe Dr. Maddox is the best lawyer! I've been working with him for more than 10 years. He is very reliable, quick and honest. I believe that he is the best in his profession because he has extensive knowledge regarding both the law and dental aspects of the transactions, which means he can understand the reality of what you are going through. He always looks out for the best interest of his clients. He will defend and protect you like no other.

I have used Lee's advice over the last 30 years, starting with reviewing my multiple office leases, associate agreements and finally with establishing a successful partnership agreement. Lee's advice is always fair and I respect his view of creating a "win-win" formula. I have and will continue to recommend his professional advice to all my dental colleagues!
