Timing Can Be Everything

LEE SKARIN AND ASSOCIATES...

the Name Dentists have Trusted Most Since 1959.

THEY'RE BACK!

And dentists are thrilled! Finally, some good news to talk about, patients are returning to dental offices and, in some cases, at unprecedented rates. Usually, summer is a relatively slow time of the year for dentists as kids are out of school and families are taking vacations. Compared to last year, when next to nothing was happening at this time of year, most dental offices have experienced a groundswell of growth; enjoying fully packed schedules and adding hours to meet the demand. Patients are comfortable coming in. They have work to be done and money to pay for it. Now represents an exceptional opportunity to buy a practice while interest rates are still extremely low.

As a seller there is, for the first time since COVID, a sense that the buyers are less afraid of the future. They were, in many cases, also the ones that were the first to be let go as dental clinics cut back staffing due to lower demand. Those lower in the proverbial pecking order had less seniority and were therefore more expendable. That realization has increased their awareness of the value of owning a practice versus being an employee of someone else. Also, as a seller, timing can be critical as the current administration eyes increases in the capital gains tax rates. The opportunity is there now. Strike while the iron is hot!

For the facts and not the fantasy about practice sales, call Kurt Skarin at Lee Skarin and Associates at **805-777-7707**.

"I hired Amy Borden to help me in an acquisition of a larger dental practice in my area, she was great and easy to work with. I later used her again when my liability insurance refused to cover a claim against me. She did a great job again, by helping have the case dismissed in court."

Your help, perseverance and dedication to finding the right young, energetic and well-trained orthodontist to replace me in my 40 year old practice has been so appreciated. This has been a dream come true! Not only did you find an excellent replacement you followed the process to completion and keep the ball rolling until the final dot of the final "i". The experience was pleasant and proceeded in a smooth and professional manner.

A. Lee Maddox, DDS, Esq.

Because Experience Matters

Maddox Healthcare Law was created to meet the critical demand for strong, ethical, and professional legal services in the practice transition business.

- A Reputation of Trust, Expertise, and Reliability
- Lease Reviews
- Partnership Agreements
- Practice Purchase Agreements
- Corporation Formation/Dissolutions
- Space Sharing Group/Solo Agreements
- Associate Agreements
- Independent Contractor Agreements
- Dental Services Agreements
- Limited Liability Company Formation and Agreements

I believe Dr. Maddox is the best lawyer! I've been working with him for more than 10 years. He is very reliable, quick and honest. I believe that he is the best in his profession because he has extensive knowledge regarding both the law and dental aspects of the transactions, which means he can understand the reality of what you are going through. He always looks out for the best interest of his clients. He will defend and protect you like no other.

Hendrick Gonzalez, DDS - 9/25/18

I have used Lee's advice over the last 30 years, starting with reviewing my multiple office leases, associate agreements and finally with establishing a successful partnership agreement. Lee's advice is always fair and I respect his view of creating a "win-win" formula. I have and will continue to recommend his professional advice to all my dental colleagues!

Ari Rosenblatt, DDS, DMD

Dr. Maddox is a consummate professional. From our first discussion, I had the feeling that he was prepared for anything. He mentioned that every transaction is unique and will have its own twists and turns. He emphasized that the sales contract will address most if not all of these unpredictable events. Our sale went sideways at the 11th hour. Lee talked me off the ledge and was able to restructure the deal (at no additional cost) and eventually closed. I would recommend Dr. Maddox's services to anyone in the position of buying or selling a practice.

Dr. Jeff Javelet
