### WOULD YOU BUY A DENTAL PRACTICE WITHOUT SEEING THE FINANCIAL INFORMATION? OF COURSE NOT!

Some dental practice brokers have begun to require a \$10,000 deposit and a signed offer prior to releasing ANY financial information on the practice to the buyer. This is completely unethical. How can a buyer make an informed decision about a dental practice without the financial information? It is equivalent to trying to buy a house without actually seeing the house.

The brokers that engage in this practice often have a high "fall out" rate or offers that never come full circle to consummation of the deal, because more often than not, the actual financial information, when ultimately presented, is not exactly what the buyer expected or what the banks could approve for financing.

Admittedly, this sales technique postpones the initial discussion about the practice profitability and financial viability until a buyer has lost money on escrow fees, attorney's fees, and possibly consultant's fee, which increases the buyer's financial loss/commitment, but it does not make that discussion disappear nor does it benefit the seller by getting the deal done. Everyone loses.

As a buyer, you have a right to full disclosure of the practice financial information so that you can make an informed decision. This does not mean that you will not need to sign a confidentiality agreement or that you would have access to the supporting information such as bank statements, general ledgers, payroll tax returns, etc. until an acceptable offer has been made as this information is corroborating material, but without the profit and loss statements and tax returns how can you even make an offer? Know when to walk away.

For a realistic assessment of your practice, call Kurt Skarin with Lee Skarin and Associates.

*I believe Dr. Maddox is the best lawyer! I've been working with him for more than 10 years. He is very reliable, quick and honest. I believe that he is the best in his profession because he has extensive knowledge regarding both the law and dental aspects of the transactions, which means he can understand the reality of what you are going through. He always looks out for the best interest of his clients. He will defend and protect you like no other.*

**Hendrick Gonzalez, DDS - 9/25/18**

*I have used Lee's advice over the last 30 years, starting with reviewing my multiple office leases, associate agreements and finally with establishing a successful partnership agreement. Lee's advice is always fair and I respect his view of creating a "win-win" formula. I have and will continue to recommend his professional advice to all my dental colleagues!*

**Ari Rosenblatt, DDS, DMD**

*Dr. Maddox is a consummate professional. From our first discussion, I had the feeling that he was prepared for anything. He mentioned that every transaction is unique and will have its own twists and turns. He emphasized that the sales contract will address most if not all of these unpredictable events. Our sale went sideways at the 11th hour. Lee talked me off the ledge and was able to restructure the deal (at no additional cost) and eventually closed. I would recommend Dr. Maddox's services to anyone in the position of buying or selling a practice.*

"Selling my practice with Paul, Greg and Ellen has been phenomenal. Accurate pricing, responsiveness, and being detail oriented helped me sell my practice in 2 months with no drama. What a great experience!"

**Gregory Mohr, D.D.S. - Placentia, CA.**

"I would VERY enthusiastically like to recommend Greg Beamer as your broker! He listed my practice, found a cash buyer and we closed in less than 90 days! I found Greg to be VERY HONEST and VERY HARD WORKING, VERY RESPONSIVE (he responded to my many questions, quickly and almost 24hrs/day!) and PROFESSIONAL!! I met or talked with some of the major brokers and wondered if their previous profession might have been selling cars. Greg was a breath of fresh air! I would HIGHLY endorse him!"

**Sincerely, Michael R. Jones DDS - Laguna Niguel**

"Thank you, Greg, for your guidance and support. Thanks to Paul and Ellen for your hard work and for diligently pulling and pushing us along the transaction!"

**Dr. Lillian Ho - Anaheim, CA**

"Paul - I know you kept saying - "Its our job" to help me with the sale of my dental practice, but you went overboard with patience as I constantly called and wanted to know "all the details, all the time," Please know how much it meant to me during this stressful time for your patience and guidance. - Thank you!"

**Dr. Curtis Cross. - Hacienda Heights**

"Greg listed the practice and four days later I had a full price, cash offer and the sale closed in 46 days! He and Ellen made sure I was updated every step of the way. Highly recommend you use their services."
