Quality Matters. So Does Speed.

"Robert (Bob) was nothing short of being AMAZING. He was attentive, responsive, and diligent in representing me in a complicated sale that involved multiple office locations and a large staff.... Robert always responded to my email or phone correspondence in a timely fashion, so that I wasn't kept waiting or wondering what was going on. This was true especially for critical or time-sensitive issues that needed a quick response. I would highly recommend Bob to anyone who is looking to buy or sell their practice, whether it is dental or medical. He is truly an expert in this highly specialized area of law. There is no doubt in my mind that I would use his services again in the future."

I believe Dr. Maddox is the best lawyer! I've been working with him for more than 10 years. He is very reliable, quick and honest. I believe that he is the best in his profession because he has extensive knowledge regarding both the law and dental aspects of the transactions, which means he can understand the reality of what you are going through. He always looks out for the best interest of his clients. He will defend and protect you like no other.

Hendrick Gonzalez, DDS - 9/25/18

I have used Lee's advice over the last 30 years, starting with reviewing my multiple office leases, associate agreements and finally with establishing a successful partnership agreement. Lee's advice is always fair and I respect his view of creating a "win-win" formula. I have and will continue to recommend his professional advice to all my dental colleagues!

Ari Rosenblatt, DDS, DMD

Dr. Maddox is a consummate professional. From our first discussion, I had the feeling that he was prepared for anything. He mentioned that every transaction is unique and will have its own twists and turns. He emphasized that the sales contract will address most if not all of these unpredictable events. Our sale went sideways at the 11th hour. Lee talked me off the ledge and was able to restructure the deal (at no additional cost) and eventually closed. I would recommend Dr. Maddox's services to anyone in the position of buying or selling a practice.
