Build Your Practice with the “SMART 30 Minute Root Canal”™

Go From this

To this in 30 Min

80% of General Dentist perform RCT everyday in their practice. However, many acknowledge they sometimes struggle. Often they simply refer them out. After performing over 1 million RCT procedures our group of 40 Endodontist have discovered a way to massively simplify this process and have successfully trained many General Dentist to do these procedures in 30 min or less.

“The SMART 30 Minute RCT™” stands for the Safe Measured Affordable Reliable Tested method that any General Dentist can learn and use in their practice the following Monday. Register today for this two day hands on workshop. Seating is limited to 14 attendees.

“Great course! Very easy to follow and understand. Systematic approach made me feel comfortable doing an RCT after taking this course next week. -Raymond M, DDS

“Great experience. I enjoyed the hands-on experience. Instructors were great to work with and very knowledgeable.” - Mike K, DDS
