COURSE TOPICS

OSHA, Infection Control and the CA Dental Practice Act: This course will not only entertain you and your staff but will enable attendees to meet license renewal requirements and state and federal requirements for OSHA Bloodborne Pathogen training, and Infection Control. The California Dental Practice Act segment will include: Basic requirements of the Dental Board (including, the new CA state mandated ethics content), how to avoid Dental Board problems AND Present actual case studies of dentists subjected to Board discipline.

Endo Updates for GPs: This course explores the very latest in evidence-based endodontic diagnosis & treatment, covering cutting-edge restorative procedures that enable clinicians to save compromised teeth and ensure a positive long-term prognosis. This case-based lecture will discuss many techniques to biomimetically create tooth structure to perform a root canal & avoid extraction. Objectives include: Understanding the deep margin elevation technique for deep carious lesions enabling you to save more teeth while eliminating the need for crown lengthening ♦ Learning Treatment of resorption cases ♦ Master vital pulp therapy ♦ Cover the restoration of most endo treated teeth without a post ♦ Learn how to treat cracked teeth

Interdisciplinary Restorative Excellence-Step-by-Step protocols for Teeth and Implants: Step-by-Step Interdisciplinary Restorations: Being able to design comprehensive treatment plans that will address occlusal, aesthetic & biologic principals, along with the correct material selection, are essential to the successful restorative practice. Dr. Cranham will discuss detailed techniques for case selection, tooth preparation and restorative techniques. Objectives include: Learn “clinical pearls” to predictably treatment plan & solve patient's esthetic problems ♦ Understand how to place durable posterior composites predictably & esthetically & also the prep & cementation of crowns ♦ Explain how to select & integrate restorative materials & adhesive protocols for indirect ceramic restorations

Although Xcel Seminars does have sponsorship relationships with dental manufacturers and suppliers, we are dedicated to providing only evidence-based information in our courses. We are a California Board Approved provider, permit #4536, valid until 7/31/2027. This course meets the Dental Board of California's requirement for seven units of continuing education.

The logo features a dark brown background. A thick, yellow rope with a black outline is coiled into a rectangular shape with rounded corners, framing a central yellow oval. The text "CA. INST. of DENTAL EDUCATION" is written in a bold, black, sans-serif font across the center of the oval. The word "of" is smaller and in a script font, while the other words are in all caps.

CA. INST. of DENTAL EDUCATION

Adult Oral Sedation Certification COURSE

"Adding oral sedation to my skill set transformed my practice."

This course changed everything, I am now treating phobic patients who have neglected their teeth for years and the new patient referrals keep coming."

— John Magnis DDS, Oxnard, CA

- Expand your practice/patient base by offering oral sedation for adults
- Preserve fearful adult patients and related productivity
- Perform dental work in fewer appointments
- Perform longer treatment sessions comfortably
- Will teach you SAFE guidelines for oral sedation for adults
- LIVE patient demonstration
- **California Dental Board approved course**
- **Course meets ADA guidelines; qualifies for most States for Oral (minimal) sedation permit***

*Check with your individual state for requirements for issuing an oral (minimal) sedation permit

Periklis Proussaefs DDS, MS

is a prosthodontist and Associate Professor at Loma Linda University. Dr. Proussaefs has received formal training in all forms of sedation since 1997. He has been providing dental care under I.V. (moderate) or oral (minimal) sedation. His seminars focus on patient safety, airway

management, monitoring, and handling emergencies. The course involves lecturing, hands-on training on a manikin, and real patient experience.

"Dear Dr. Periklis Proussaefs, Thank you for the wonderful course. I was doing conscious sedation for many years and took several renewal courses. Yours was indubitably the best. Very informative. Extremely to the point. Clear and very captivating. I learned a lot this Sunday and started work on Monday refreshed, energetic, and eager to use all my new knowledge. I strongly recommend this course to doctors who are willing to introduce sedation to their practice or the ones who need renewal. Thank you."

—Anna Durkin DDS, general dentist, San Marcos, CA

"A definite must take class for any dentist to further your career.

You will learn a lot." —Kevin Chou DDS, general dentist, Bakersfield.
