I wanted to thank you for the assistance DentalWorkers.com has given me in my search for employees. This is my 2nd time placing an ad on your site.

From my first ad, I hired a fabulous dental assistant. He has been with us for almost 2 years. Now I'm hoping to find a great hygienist. They were so helpful. They really assisted me in fine-tuning my ad and the search parameters so I would get the most visibility possible. I will recommend you to everyone seeking employees. Thanks for everything!

Who Do I Trust?

When a new patient signs your forms and sits in your dental chair, he or she is placing their dental healthcare in your hands. They are entrusting you to act in a professional and caring manner and to put their best interests at heart. When a dentist signs a listing agreement with a dental practice broker, he or she is entrusting them to act in a professional and caring manner, with their financial business interests at heart. Just as the dental patient must carefully select a dentist, you must carefully select your broker.

At D&M we understand the trust issues of these transitions and we have honored them for over 12 years with successful results. D&M will handle all the paperwork, transfer the commercial lease, secure favorable loan rates and terms and be present at every meeting. We accept our duty to provide professional, caring services to the highest standards...just as you do with your patients. Buying or selling your practice should be a painless, even comfortable process. With D&M on your side, it will be.
