of Your Dental Practice

Timing Can Be Everything

LEE SKARIN AND ASSOCIATES...

the Name Dentists have Trusted Most Since 1959.

THE DIFFERENCE IS IN THE RESULTS

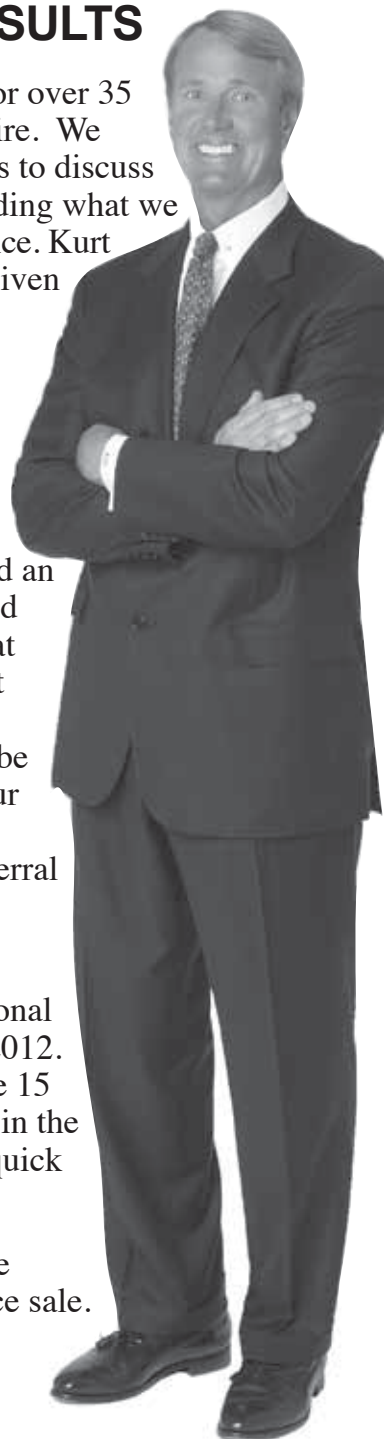

I had a successful orthodontic practice in Encino for over 35 years when my wife and I made the decision to retire. We contacted Kurt Skarin of Lee Skarin and Associates to discuss the sale of the practice. He was very specific regarding what we could expect in terms of timing and ultimate sale price. Kurt gave us a price range, which we felt was realistic given the current state of affairs with respect to dental practice sales. We listed the practice for sale with Lee Skarin and Associates.

Within the first few weeks after listing the practice for sale, we had met with and interviewed a number of well qualified buyers. Within the first four weeks after listing the practice for sale, we had an offer from a financially and clinically, well qualified buyer at full price. This was the very first buyer that we had met. We felt very good about the buyer, but had some concerns about how the transition would occur and how to best insure that the buyer would be successful. Kurt was very helpful in guiding us. Our goal was to do everything possible to make this a smooth transition, not only for our patients and referral sources, but for the buyer as well.

Kurt assisted the buyer with obtaining his loan and handled all aspects of our sale in the most professional manner. Our practice sale closed on February 29, 2012. This was not my first practice sale with Kurt. Some 15 years ago, he sold my practice in Westlake Village in the same way – a full price offer with a very smooth, quick and efficient transition.

I can unequivocally recommend Kurt Skarin of Lee Skarin and Associates to handle your dental practice sale.

Seriously Better....

"In November 2011 when it came time to list the sale of my seven digit dental practice, there were two publications reaching California dentists...The Dental Trader and the Dental Shopper. I carefully researched both magazines side-by-side and found 21.5 pages of advertising from brokers in The Dental Trader (along with several hundred ads placed by dentists). In the November Dental Shopper I only saw only 3 pages of advertising from practice brokers and about five dozen ads from doctors.

I then realized that a serious buyer would be looking carefully at The Dental Trader. Now, one month later we have received dozens of calls from The Dental Trader ad, some firm offers and one great candidate whose paperwork is being processed by the bank. If you are a serious seller, make sure your practice is advertised in The Dental Trader.....that is where the serious buyers are looking for dental practices."

Sincerely,
Dr. Ramtin Kheaf

“Who Do I Trust?”

Some Brokers will quote an unrealistic sales price to get the listing. Later they will work the Seller for a price reduction. By then, the best Buyers will have ruled out the overpriced practice. At D&M our concern is to ensure the

Seller can sell his practice quickly and get his sale funded in today's financial atmosphere. That requires honest pricing, not pie-in-the sky pricing. For a timely sale, with no “Broker Puff,” contact D&M for a no obligation, confidential consultation.
