

AAFE

AAFE Advantage

HOW ARE WE DIFFERENT?

The American Academy of Facial Esthetics (AAFE) is the premier live patient training organization for Botox and dermal fillers for dental esthetic and pain therapeutic uses in the oral and maxillofacial areas. The AAFE provides the most comprehensive training to achieve the best esthetic and therapeutic outcomes within the scope of state dental practice acts. Our outstanding post-course support will insure successful procedure integration into your practice and is only available through the AAFE.

FrontlineTMJ and Facial Pain Therapy

Live Patient Two Day Course

Many of your friends, family, and patients suffer from some form of headaches, migraines, stress, occlusion, and TMJ. This course is the missing link that will teach you how to comprehensively evaluate, diagnose, and treat those who suffer from TMJ syndrome and myofascial pain.

Upcoming Course Dates

Jan 17-18.....	Los Angeles	Feb 28-Mar 1.....	Louisville, KY
Jan 24-25	Chicago	Mar 7-8	Dallas
Feb 14-15	Columbus, OH	Mar 14-15.....	New York

Course Highlights

- How to quickly identify and diagnose facial pain patients in your practice
- Learn why you should not spend a dollar on expensive equipment for facial pain diagnosis and treatment
- Learn the two most important free tools used to diagnose myofascial pain
- No more “occlusion confusion” when it comes to TMJ treatment
- Learn on live patients how to precisely identify and inject trigger points for instant and long term pain relief
- Understand when to use different chemotherapeutics for best short-term and long-term therapeutic outcomes
- Learn when to treat and when to refer myofascial pain patients what you must do and what you must not do for facial pain patients
- Understand the use of chemotherapeutics such as Botox for simple and effective pain management and differential diagnosis
- When bruxism appliances are essential and when they are detrimental
- One on one comprehensive mentored instruction as you work your patient
- Full Botox pain therapeutic and esthetic training on day 2

And much more! Visit www.FacialEsthetics.org for details!

Terms & Conditions

Model Patients: It is recommended that each participant brings a model patient to treat and will need to purchase one vial of Botox® and one syringe of dermal filler material for the appropriate course from the course sponsors. Additional vials and syringes will be available for purchase at the course if participants would like additional practice.

Cancellation Policy: Fully refundable no later than 5pm same date one month before course minus \$375 handling fee. No refunds after same date one month before course. We reserve the right to cancel a course and cannot be responsible for hotel deposits or non-refundable airline tickets or any other associated fees. We take no responsibility regarding state board requirements. Participants are responsible for determining whether they are able to perform these procedures. Please refer to our website for complete policies.

California: CA dentists can now place Botox/Dermal Fillers as defined by the CA B. & P. Code section 1625. The American Academy of Facial Esthetics is a CE register provider #5032 by the Dental Board of California.
