Att. Patrick J. Wood

Patrick J. Wood has been representing dentists for over twenty years in all of their business transactional needs. The law firm he founded, Wood & Delgado, handles dental practice sales, lease reviews, associate ships, partnerships, Dental Board defense and related legal needs of dentists in California. He has extensive lecturing experience at dental societies, CDA conventions, Practice Valuation Study Group (a national dental practice broker coalition) and at California dental schools. He has also written many articles on the business side of dentistry, which articles appeared in such dental industry magazines as Dental Economics, Journal of California Dental Association, Journal of Colorado Dental Association, and Strategies for Success. He is a continuing education provider with the California Dental Board.

California Dental Practice Act & Risk Management:

- Practical application of the Dental Practice Act
- Legal Agreements Are you in violation?
- Common Dental Board litigation A Case study
- Business issues related to the Dental Practice Act
- Drugs Proper versus improper prescription protocol
- Dental Records A dentist's ongoing liability
- Marketing your dental Practice
- Dental Procedures/Surgery Duty to supervise licensed professionals
- Other practical topics relating to the practice of dentistry

Rodney M. Stine Infection Control

Mr. Stine has served as Director of Dental Affairs with California Dental Association. He was responsible for management of Regulatory Affairs and Membership Department. He also served as liaison between CDA and Board of Dental Examiners and other regulatory agencies. Mr. Stine reviewed and managed hazard communication requirements with Cal-OSHA, California Department of Health Services. He also served as Executive officer on Board of Dental Examiners.

This seminar will update you and your staff on OSHA Regulations. You will receive the framework upon which to build your understanding of dental regulations. Mr. Stine is owner and operator of OSHA Review, Inc. a business specializing in regulatory compliance in California. He is a nationally known speaker.
