Help a child smile

With a \$5 donation

Tooth decay disease is one of the few preventable health problems today, yet it's the most common chronic childhood disease. As a dental professional, you know the immediate and lasting benefits of proper dental care and education. Please help us to continue providing these critical services in one of California's largest populations of economically challenged families.

By donating as little as \$5, you can make a difference in our field and in California's future. Also, post a donation card in your office to give your patients the opportunity to donate and recognize your efforts in this important and local cause.

The Children's Dental Center of Greater Los Angeles has served more than 400,000 economically disadvantaged children with vital dental treatment and oral health education. Visit www.tcdc.org to learn more.

"We will care for every child as we would our own."

The Children's Dental Center of Greater Los Angeles
300 E. Buckthorn Ave. Inglewood, CA 90301

A donation is as simple as a phone call:
(310) 419-3000

Please ask about the free donation card in your office.
Patients that donate will receive a Children's Dental Center bracelet

Creating hope and new memories for the children of our fallen military heroes.

Can you even begin to imagine the pain of a 5-year-old after her hero dies?

Snowball Express is dedicated to helping the children of those who have made the ultimate sacrifice while serving in the U.S. Armed Forces since 9/11.

Each year, Snowball Express hosts over 2000 children and surviving spouses from all across America, for an all-expense paid holiday gathering none of them will ever forget.

American Airlines has stepped up to be The Official Airline of Snowball Express. It's a time of bonding, the creation of new memories during the difficult holiday season and America's chance to say thank you.

Now we're asking for your support.

If you're an individual, we need your dollars. One or a thousand. If you're a corporation, we'll take whatever you've got...products, services, monetary donations.

If you're an organization, we'll take your hearts to help mend those of the survivors back in their hometowns, in small towns and big cities all across America.

Dig deep. Please. The price of freedom for these families is paid every day with the loss of their loved ones.

Their heroes died as Americans. Let's step up as Americans and help their families. They deserve no less.
