

The logo features the text "AAFE" in a bold, black, blocky font centered within a yellow oval. This oval is surrounded by a thick, yellow rope border that forms a rectangular shape with rounded corners. The rope has a detailed three-strand braid pattern and ends in frayed tips at the top. The entire design is set against a solid brown background.

TERMS & CONDITIONS

Model Patients: It is recommended that each participant brings a model patient to treat and will need to purchase one vial of Botox® and one syringe of dermal filler material for the appropriate course from the course sponsors. Additional vials and syringes will be available for purchase at the course if participants would like additional practice.

Cancellation Policy: Fully refundable no later than 5pm same date one month before course minus \$775 handling fee. No refunds after same date one month before course. We reserve the right to cancel a course and cannot be responsible for hotel deposits or non-refundable airline tickets or any other associated fees. We take no responsibility regarding state board requirements. Participants are responsible for determining whether they are able to perform these procedures. Please refer to our website for complete policies.

California: CA dentists can now place Botox/Dermal Fillers as defined by the CA B. & P. Code section 1625. The American Academy of Facial Esthetics is a CE register provider #5032 by the Dental Board of California.

Botox® and Dermal Filler Training

THE BEST COMPREHENSIVE LIVE PATIENT TRAINING AVAILABLE

The AAFE Botox and dermal fillers live patient training course objective is to enable attendees to offer practical concepts, techniques and new dental services, and be proficient with the materials, techniques, and instrumentation of Botox and dermal fillers. We comprehensively train dental professionals in the dental esthetic and therapeutic uses in the oral and maxillofacial areas so they can immediately integrate this into their daily practice.

UPCOMING COURSE DATES

Jan 18-19	New Orleans	Mar 1-2	Louisville
Jan 18-19	Los Angeles (Level I, II)	Mar 1-2	Albuquerque
Jan 25-26	Houston	Mar 7-8	Valley Forge/King of Prussia

Frontline TMJ and Facial Pain Therapy

LIVE PATIENT TWO DAY COURSE

Many of your friends, family, and patients suffer from some form of headaches, migraines, stress, occlusion, and TMJ. This course is the missing link that will teach you how to comprehensively evaluate, diagnose, and treat those who suffer from TMJ syndrome and myofascial pain.

UPCOMING COURSE DATES

Jan 17-18	Los Angeles	Mar 7-8	Dallas
Jan 24-25	Chicago	Mar 14-15	New York
Feb 14-15	Columbus, OH	Apr 4-5	Seattle

COURSE HIGHLIGHTS

- How to quickly identify and diagnose facial pain patients in your practice
- Learn why you should not spend a dollar on expensive equipment for facial pain diagnosis and treatment
- Learn the two most important free tools used to diagnose myofascial pain
- No more "occlusion confusion" when it comes to TMJ treatment
- Learn on live patients how to precisely identify and inject trigger points for instant and long term pain relief
- Understand when to use different chemotherapeutics for best short-term and long-term therapeutic outcomes
- Learn when to treat and when to refer myofascial pain patients what you must do and what you must not do for facial pain patients
- Understand the use of chemotherapeutics such as Botox for simple and effective pain management and differential diagnosis
- When bruxism appliances are essential and when they are detrimental
- One-on-one comprehensive mentored instruction
- Full Botox pain therapeutic and esthetic training on day two
