Three of my four employees have come through Dentalworkers. In my 39 years of having a dental practice, many things change, and it's most obvious that employees rely more and more in the Web. I have used other employee search sites on the Web, but none has come close to the results I receive with Dentalworkers. I unabashedly recommend Dentalworkers for any dental office seeking to add or change staff.

Who Do I Trust?

When a new patient signs your forms and sits in your dental chair, he or she is placing their dental healthcare in your hands. They are entrusting you to act in a professional and caring manner and to put their best interests at heart. When a dentist signs a listing agreement with a dental practice broker, he or she is entrusting them to act in a professional and caring manner, with their financial business interests at heart. Just as the dental patient must carefully select a dentist, you must carefully select your broker.

At D&M we understand the trust issues of these transitions and we have honored them for over 12 years with successful results. D&M will handle all the paperwork, transfer the commercial lease, secure favorable loan rates and terms and be present at every meeting. We accept our duty to provide professional, caring services to the highest standards...just as you do with your patients. Buying or selling your practice should be a painless, even comfortable process. With D&M on your side, it will be.

ILLEGAL DENTAL BROKERS

The Dental Trader strictly enforces the following ad policy for the protection of dentists.

Dentists selling their own dental practices may advertise them however, anyone else listing the sale of a dental practice or soliciting for listings must hold a valid DRE (Calif. Dept. of Real Estate) license. DRE compliance is required of all agents/brokers advertising the sale of dental practices per DRE code Sections 10000-10602. These advertisers are also required to identify themselves as an agent or broker on all ads placed that list a dental practice for sale.

If you encounter someone soliciting for listings and/or selling a practice who is not the owner-dentist of that practice or a DRE licensed agent, please notify **The Dental Trader** staff by calling **877-888-4237**. Invariably these are people who have placed a small reader ad thru our website and have slipped through the cracks of our security measures.
