

The logo features the text "AAFE" in a bold, black, blocky font, centered within a yellow oval. This oval is surrounded by a thick, yellow rope border that forms a rectangular shape with rounded corners. The rope has a detailed braided texture and ends in frayed, knotted tips at the top and bottom. The entire design is set against a solid brown background.

- No more "occlusion confusion" when it comes to TMJ treatment
- Learn on live patients how to precisely identify and inject trigger points for instant and long term pain relief
- Understand when to use different chemotherapeutics for best short-term and long-term therapeutic outcomes
- Learn when to treat and when to refer myofascial pain patients what you must do and what you must not do for facial pain patients
- Understand the use of chemotherapeutics such as Botox for simple and effective pain management and differential diagnosis
- One-on-one comprehensive mentored instruction

TESTIMONIALS

"Great course! I have taken other Botox training seminars and AAFE has been the best experience. I joined AAFE and the learning experience has gone beyond the two day course"

— Olinga Hargreaves DDS

"Wow what a fantastic course. The feedback from my pain patients has been positive; beyond my expectations, and theirs! When I showed illustrations from the course to the individuals, they instantly understood and felt like their complaints were legitimate. Thank you!"

— Margaret Mitchell, DDS
