# Two certification courses for injectable therapeutics & esthetics

## Course 1: ADVANCED BOTULINUM TOXIN (BOTOX®) TRAINING FOR DENTO-FACIAL CONDITIONS

Cost: \$1250 including a FREE treatment kit + up to 15 units BTX to be used at the meeting only.

Learn how to use Botox® as a pharmaceutical splint for unnecessary clenching, pain, gummy smiles and other effects on facial esthetics. [www.dentox.com](http://www.dentox.com)

## Course 2: ADVANCED TRAINING USING INJECTIBLE FILLERS FOR IDEAL FACIAL AND SMILE ESTHETICS

Cost \$1250 excluding filler materials (sold at cost at meeting). All other materials provided

Learn how to use most injectible fillers (incl. Restylane®, Juvaderm®, Hylaform Plus® etc) to improve dental soft tissue profile and lips.

Improve lip esthetics after dentures or dental implants. [www.lipfillers.com](http://www.lipfillers.com)

The cost for each program is \$1250 or \$2500 for both.

## Course information

What you will learn at Botox® courses:

- Diagnosis of multiple patient types
- Substituting acrylic splints with a pharmaceutical splint (no compliance problems)
- Correcting gummy smiles
- Better dental and facial esthetics
- Reduced ceramic fracturing
- Reduced implant and graft failures
- Accelerated orthodontics
- Better compliance of devices
- Preventing and treating unwanted side-effects
- Dental treatments with desirable side-effects!

At the filler courses you will learn:

- Ideal anesthesia
- Creating ideal lips to match teeth
- Which materials to choose
- Which materials to avoid
- Improving dental profile
- Correcting mistakes
- Natural full lips, not "clown ,duck or fish lips".
- These hands-on courses are both educational and enjoyable. Most past attendees claim that these two hands on courses are the best dental courses that they have ever attended!
