CALIFORNIA ACADEMY OF GENERAL DENTISTRY

Lasers in Periodontics & Restorative Dentistry

By: Robert Convissar, DDS

Continuing Education Units: 8 lecture credits.

Course is scheduled from 8am to 5pm.

Course Objectives:

Dentists have a variety of wavelengths to choose from when deciding which laser is most appropriate for his or her practice. Some wavelengths are perfectly suited for periodontal therapy, while other wavelengths may be more appropriate for a prosthetics-driven practice. The use of lasers for specific procedures found in everyday fixed, removable and implant prosthetic cases will be highlighted. Since the basis of a successful prosthetic reconstruction is a healthy periodontal foundation, the use of lasers for non-surgical, surgical, and regenerative periodontics will also be discussed.

Dr. Convissar

is a pioneer in the field of laser dentistry. One of the first dentists to incorporate lasers into general practice, Dr. Convissar has over 22 years of experience with CO₂, Nd:YAG, Diode and Erbium wavelengths. The author of over 15 peer reviewed papers and author/coauthor of 4 textbooks on laser dentistry, Dr. Convissar has presented over 300 laser seminars on all 5 continents. He practices cosmetic, restorative, and laser dentistry in New York City, where he also serves as Director of Laser Dentistry at New York Hospital Queens. His latest textbook, Principles and Practice of Laser Dentistry, was published in September of 2010.

Seriously Better....

"In November 2011 when it came time to list the sale of my seven digit dental practice, there were two publications reaching California dentists...The Dental Trader and the Dental Shopper. I carefully researched both magazines side-by-side and found 21.5 pages of advertising from brokers in The Dental Trader (along with several hundred ads placed by dentists). In the November Dental Shopper I only saw only 3 pages of advertising from practice brokers and about five dozen ads from doctors.

I then realized that a serious buyer would be looking carefully at The Dental Trader. Now, one month later we have received dozens of calls from The Dental Trader ad, some firm offers and one great candidate whose paperwork is being processed by the bank. If you are a serious seller, make sure your practice is advertised in The Dental Trader.....that is where the serious buyers are looking for dental practices."

Sincerely,
Dr. Ramtin Kheaf

www.PPSsellsDDS.com

Thinking on selling your practice? Call "PPS of The Great West" today.
This shall be the best decision you make regarding this important change in your life!

"I listed with a competitor for 12 months. Had two people visit my practice. First weekend PPS had my listing, I had 3 people visit and an offer by the end of the first week. Thank you for allowing me to move on to the next step of my life."

"It was a pleasure to work with PPS. I had to sell because of health complications. Mr. Irving listed my practice on Jan 1st, we closed escrow on Feb 27th. It took him less than 60 days to complete the sale as promised."

"When I decided to sell my ortho practice, I sought the services of a large company. Over the 12-month contract, I had one buyer visit. Word was out. It had a devastating effect on my bottom line. Fortunately, I found Ray and Edna Irving! When I finally sold, I choose between two good offers. My regret was the time and money lost with the other guys."

"When I signed the Listing on June 1st, Ray stated he would have the practice sold by Labor Day. The sale was concluded on Sept 1st, two days before Labor Day. Wow!"

"I will always remember your statement when I questioned your contract being only four months. You stated: 'If I can't sell your practice in that time, you should get someone else.' Well, you did with time to spare!"

"Before I called Ray, I had a listing with another prominent Broker. After eleven months without a sale, I called Ray. He sold it in about a month! Would I recommend Ray? Yes!"

"In April, I asked Ray Irving to sell my practice. At the same time my friend decided to sell his practice. He employed another firm. My practice sold June 22. My friend's practice still hasn't sold and he was putting his dreams on hold."

PPS of The Great West's reputation is built upon grounded ethics and effectiveness. Our trademark "client services" include accurate assessments, impeccable marketing plans, complete transparency, generating quick responses, realizing multiple Offers, securing 100%+ financing in days, expert papering of our transactions and sound counsel. Everything is done to protect our Client and to effect a successful transfer. Our intent is simply to provide the best service imaginable for this very important engagement.
